OFFICIAL NOTIFICATION

VIRGINIA MOLD LICENSING (excerpts)

Derived from VA.R. Volume 27, Issue 19, effective July 1, 2011

18VAC15-60-40. Qualifications for licensure—individuals

- a. **Mold remediator worker.** Each individual applying for an initial mold remediator worker license shall provide proof of successful completion of an initial mold Remediator worker course and all subsequent refresher mold remediator worker courses from a board-approved mold training provider. The training must have been completed 36 months preceding the date that the department receives the application.
- b. **Mold remediator supervisor.** Provide proof of successful completion of an initial mold remediator supervisor and all subsequent refresher mold supervisor courses from a board-approved mold training provider. The training must have been completed within 12 months preceding the date that the department received the application.
- c. **Mold inspector.** Provide proof of successful completion of an initial mold inspector course and all subsequent refresher mold inspector courses from a board-approved mold training provider. The training must have been completed within 12 months preceding the date the department received the application.

18VAC15-60-220. Worker course requirements

The mold remediator worker initial course shall include lectures, demonstrations, and other activities directly related to the duties of a mold remediator worker...shall last a minimum of 16 hours with a minimum of six hours of hands-on training...

18VAC15-60-230. Supervisor course requirements

The mold remediator supervisor initial course shall include lectures, demonstrations, and other activities directly related to the duties of a mold remediator supervisor...shall last a minimum of 24 hours with a minimum of eight hours of hands-on training...

18VAC15-60-240. Inspector course requirements

The inspector initial course shall include lectures, demonstrations, and other activities directly related to the duties of a mold inspector...shall last a minimum of 24 hours with a minimum of four hours of hands-on training...

NORMI, the National Organization of Remediators and Mold Inspectors is a Commonwealth of Virginia board-approved training provider for these courses and is now offering ALL THREE of these mold courses to meet the requirements for licensure in the following locations:
