

## NORMI™ Certification/Licensing Processes

This document has been provided to help the student navigate the various licensing laws now in place to regulation the mold profession. States that require licensing have co-opted the "certification" title thereby making the certification and licensing process the same process. Questions may be directed to 877.251.2296 or [support@normi.org](mailto:support@normi.org)

**NOTE:** DC accepts any NORMI CMA/CMR in reciprocity

**NOTES:** Criteria may vary based on the specific certification requested and though our training is approved by the appropriate licensing state, certification may require supplemental criteria. Please contact 877.251.2296 for more information regarding a specific certification. Each state certificate requires the appropriate certification fee whether or not multiple certifications are needed for an individual.

\*Examination is included with certification when onsite proctored exam has not been taken in class.

\*\*Insurance may not be required for certain certifications or where accreditation is implemented.

\*\*\*When a current active license is in place with the applicable State, this element may be waived.

## NON-Licensing States

## Accreditation Process

If you already have an equivalent certification from a NORMI™ Board of Directors recognized organization, NORMI may reciprocate and make you a member once you have completed the ONLINE Accreditation Application at [www.Accreditation.NORMI.org](http://www.Accreditation.NORMI.org). The process is quick and after review by our Board of Directors, you will be designated as an interim member and listed on our website for the world to see. You may begin immediately marketing yourself as a NORMI™ Member, will be assigned a NORMI™ ID number and given the opportunity to take advantage of all the ACTIVE Member benefits available for your review.
