7-9pmEST "TOP TEN (1-5) WAYS to Promote Your Business in 2009" ONLY 3 CEU Opportunities LEFT!

SPECIAL PRICING CONSIDERATION FOR NORMI Training Conference 2009

Many of our members are struggling with the tight economy. As a result of that concern, we decided back in August to NOT raise the price of our conference to the suggested \$899 and YOU, who are coming, saved \$300!!

Well, we've done it again! We have had several inquiries from those who would like to come to the conference but would like to have some "payment plan" to accommodate their tightened budgets and, guess what— WE ARE GOING TO DO THAT!

You can come to the conference, as a **TEAM** (husband and wife) and make a payment schedule as follows:

- \$400 Down Payment
- 6 Payments of \$100

Or, **YOU** can come as an individual and make the following arrangement for the cost of the conference:

- \$150 Down Payment
- 5 Payments of \$100

The Conference fees include:

- Excellent Training from some of the best in the business.
- Networking and getting your questions answered by experts who do what YOU do every day and do it well...even in this economy!
- Breakfast, breaks, and lunch EVERY day.
- Materials for each class you take and an opportunity to get certified where you need it!
- All of your CEUs to recertify you through February 1, 2010!

The Conference DOES NOT include:

- Cost of you activTek Dues— They require \$299 to be paid whether you take their training or not so that must be paid directly to them (or through www.activTek.NORMI.org) separate from the conference.
- Dinner, although there will be opportunities to network with others at the restaurant of your choice each night!

All you need to do is contact support@normi.org and put in the subject line "I Want To Come To The Conference" and you will be contacted to arrange the payments. Take advantage of this TODAY while there is still time!
