**NORMI Training Conference was a GREAT SUCCESS!**

ORLANDO—what a beautiful (and warmer) place to be in January! Some left 7° weather (Lance) to join us at our FIRST NORMI Training Conference and IT WAS A GREAT BIG SUCCESS! Wish you had been there. We are currently planning NORMI Training Conference 2010 so pencil in this week for NEXT YEAR so you can be a

part of this incredible learning experience. Why was this event such a powerful event? Not just because people got "their money's worth" but they had an opportunity to sit down, belly to belly with their fellow members and share their experiences, their questions, their excitement about learning more and getting more credentials. Taking advantage of the incredible resources at your disposal is the best way to enhance and strengthen your business for 2010.

We will soon post the information regarding the conference in 2010, so save your nickels and think about how you can make the trek to strengthen YOUR business. Stay tuned for MORE INFORMATION at [www.Conference.NORMI.org](http://www.Conference.NORMI.org).
