

Monday 02/02/09

CE **LIVE** in the NORMI Talking Studio...616.712.8000 x 988162#
 7-9pmEST The Lab—ViaCell and other options, including Bacteria Sampling

What is the Alliance Group?

This is a group of volunteers/admin who are currently working on developing relationships with these organizations. Can you help? Do you know someone in one of these organizations that is a decision-maker? Write to support@normi.org for suggestions you might have to help us increase our credibility in the marketplace...this will be to YOUR advantage, too!

Dave Beltz
