NORMI Cruise 2008

NORMI Cruise 2008—WOW, what a trip! The Gulf was a beautiful (mostly calm) blue, the beach was crystal clear aqua, the food (as usual) was wonderful, the service made us feel like royalty, and the training(s) were top-notch!

Key West was simply gorgeous. Have you ever had a piece of Key Lime pie dipped in chocolate on a stick?? WOW! In Calica, Mexico on Wednesday there were plenty of excursions to help you “waste time” but we “wasted our time” on the beach at Calica Beach Resort. Lounging, eating, talking, enjoying one another—what a tough life.

A BIG THANK YOU to David and Ramona Wuerst for planning another GREAT NORMI event. Our Monday night “mixer” brought everyone together in the “Passage of India” room where each person introduced themselves and their reasons for the cruise. Some were there for the fun and relaxation. Others came to be trained in the CMI program (included FREE in the cruise). Whatever their reason for being there, everyone was excited to be a part of this SECOND ANNUAL NORMI Cruise and simply take the time to relax.

Our CMI Training on Thursday featured a special 40 minute IR Training from Jim Seffrin with Infraspection. A good group of cruisers attended the class while the balance spent their time “hanging out” on deck enjoying the free food and “fun-in-the-overcast-sun”.

Our plans are to do this again so plan for your next vacation on the NORMI Cruise. It’s a great time to network/learn/and have fun!
