Orlando, Tampa, Lancaster**

The Schedule

☺ **CBA Onsite Classes**—These are now being offered as an opportunity for members and NON-members alike to be trained in the NORMI Certified Biocide Applicator training LIVE. This class includes the Strong Arm Warranty program, of course and will include some pretty cool added-value bonuses we can only do ONSITE!

☺ **Cruise.NORMI.org**—SAVE \$50 by getting registered NOW for the 2nd Annual NORMI Convention Cruise and MAKE PAYMENTS, that's the easy way. Go to the website and call Ramona NOW for your savings...and take a look at the great pics that were collected from this year's cruise. It was just plain FUNNNNN!!!!

☺ **CMA Available**—Many members have asked about the CMA (Certified Mold Assessor) program and there is now a class available for early registration at www.BestTrainingSchool.com. We are trying to gauge interest so a deposit is necessary (transferrable deposit) so we can establish a date from the class by the middle of June to help those who will be attending to book their flights. YOU will want to be a part of the tour and training that will be in New Orleans in August.

☺ **QUEST Commercial**—Each FIRST Tuesday of the month (or when it is scheduled), NORMI will pipe into "theclassroom" the Quest Commercial training call. "theclassroom" will be opened to all so you won't need anything but a mic and a headset to attend. See you there...
