### COMPANION PACK

*"Enemy Within The Walls"* by Pamela Arnold & *"Mold-Free Construction"* by Douglas Hoffman

**TWO BOOKS IN ONE PACKAGE**

These two books could become the best marketing tool you have to educate your clients on the problems associated with and the solutions we offer to solve mold problems. Easy to read, informative, and enlightening, clients will have their eyes opened to the reality of mold growth in indoor environments and its affect on their health.

"If your weight won't budge, you have constant fatigue, insomnia, headaches/migraines, digestive ailments, learning disabilities in children, memory loss, and more, this book issues an urgent cry to read the story. Misdiagnosed and uninformed, this couple descended near points of no return. Learn as you read and experience their story. It could rescue you or a loved one from a health crisis or worse.

In reading the book you will learn how their lives were torn apart, shrouded in mystery, suspense, frustrations, financial reversals, yet strengthened in God and each other. Short reprieves dropped to new lows, testing survival. Victory in the end. Share it! Live it!"
