☺ **CMA Available**—Many members have asked about the CMA (Certified Mold Assessor) program and there is now a class available for early registration at [www.BestTrainingSchool.com](http://www.BestTrainingSchool.com). We are trying to gauge interest so a deposit is necessary (transferrable deposit) so we can establish a date from the class by the middle of June to help those who will be attending to book their flights. YOU will want to be a part of the tour and training that will be in New Orleans in August.

**HALF-PRICE CMR for ACTIVE NORMI Members!! Learn how to understand and supervise a Remediation job. This opportunity WILL NOT happen again but this new and improved training is something EVERY NORMI CMI should have...it's so inexpensive you can afford to fly in and enjoy the Louisiana food! See you then...**
