CE	TUESDAY NIGHT—LIVE in the NORMI Talking Studio...616.712.8000 x 988162#
7-9pmEST	You Should Be Using ServiceMagic—Jeff W. (TASC Force Member!!) <i>“The new CAP Program is Available” and “NORMIPro Environmental TASC“</i>

CAP Now in the NORMI Member Section

The Community Awareness Program (CAP) has been designed to help you promote your business and “give back” to the community some of the training you have received from NORMI™. Once you have taken this FREE course, you simply choose which direction you would like to go, Realtors, Architects, First Responders, or Kids, and begin down the path toward becoming the “go-to person” in your community. When combined with your membership in the NORMIPro Environmental TASC Force, you will be able to build a solid foundation from which to launch your business.

The FIRST Program is up and running—NORMI™ CAP Realtor **SHORT**—The realtors “SHORT” program educates the realtor in understanding the basics of mold and the components of indoor air quality, being aware of environmental surroundings, and protecting themselves from cross-contamination issues. As the NORMI™ CAP Trainer, you will present this 17 minute mold awareness presentation, personalized with YOUR credentials, and provide information (through the Q&A that may follow) on indoor air quality solutions, the Professional Screening Partner IAQ Program, and other important NORMI concepts and programs.
