Realtor	Community Awareness Program
CFS	Certified Formaldehyde Screener

“WHAT UP?”

There is so much going on that I thought I'd take a moment to bring you up to speed on some of the great things NORMI is doing to gain even MORE credibility to help you with your business.

But first, I have to say “Thank You” for the notes and messages regarding the upcoming **Hurricane Gustav**. Our offices in Abita are closed and we have evacuated to different parts of the country. Continue to pray for all the residents along the entire Gulf Coast from FL to TX and let's be ready to help if we are needed!

AmlAQC has now recognized the AAA, CBA, and QST classes for re-certification CE credits! More to come! YASNY!

NORMI just received approval by the **US Dept. of Veterans Affairs** and our classes are approved for both Rehabilitative reimbursement and the GI Bill! That's right. We will be discussing the details about this in a couple of weeks but WOW this is big, really big!

I spent the day yesterday with **Dr. Doris Rapp**. Her booth was right beside ours here at the Alternative Therapies Conference in Los Angeles and Pam Arnold and I had a chance to get to know her

and share NORMI. Dr. Rapp wrote “Is This Your Child” and “Our Toxic World” and, by special arrangement, we will be supplying her new DVD “*Mold and Its Effects*” through the NORMI Store starting in just a couple of weeks. We are actually having it labeled for us and are thrilled to make such a great friend!

We will be extending the **special pricing for the Training Conference** for another 30 days to give you a chance to save money and understand the importance of re-certification Continuing Education as we will discuss on the 16th of this month in the Talking

Studio. Re-certification is the right step in the right direction and we want you involved in a way that will help you and THANK YOU for your support of NORMI from its inception!

www.QUEST.NORMI.org is now up and running. That's right, NORMI has gone global and will soon have trainings in multiple languages and trainings in Holland, Portugal, Spain, France, and more! When you try to do things right, it is just inevitable that great, qualified partners, interested in the same goals, will want to join you!

—Doug Hoffman
