Healthier Home Certification in NC

On October 2, 2008 NORMI presented its first NORMI Healthier Home Warranty to a home built in North Carolina.

This home was constructed by Spivey Construction for Jennifer Pippin of Sherrills Ford, NC.

Jennifer included the green building

NORMI Certificate of Sanitization based on pre/post sampling indicating a total reduction of airborne contaminants, once the holistic IAQ solutions were put in place.

We are proud to be a part of this process by contributing endorsements to those homeowners and builders who see the need to take this step into the future of homebuilding. More and more

techniques, sustainable products, and durable materials highlighted in the NORMI Healthier Home Certification, qualifying this home for the warranty program. John and Linda Eicher incorporated many of the IAQ solutions we train on and presented the home with a

customers will come to NORMI as they see the value in energy savings and green building advantages. DDH
