**ONLY SIX Talking Studio CE Credits Left!**

T'was the week before Christmas,  
 And all 'round the globe,  
 NORMI Trained Mold Inspectors,  
 Searched for tiny microbes.

Because of their training,  
 They were aware of the risk,  
 Of not finding the scourge  
 That could ruin domestic bliss.

As they looked up the chimneys,  
 And under the floors,  
 They followed their training,  
 To find hidden spores.

Armed with swabs and tape lifts  
 From their own NORMI Store,  
 They carefully sampled,  
 From mountain to shore.

Sampling pre/post solution,  
 And air sampling, too,  
 Giving high quality service  
 By both me and by you.

With the results from our lab,  
 With yet another clean test,  
 It was time to slow down,  
 For a well-deserved rest.

With a long year behind us,

But yet so much fun,  
 Let us each now look forward,  
 Anticipating a great one.

From all of us here,  
 As the NORMI Home Team,  
 May your next year be great,  
 And, yes, even more Green.

By Lance and Doug
