Welcome Message from the Executive Director of NORMI.

Welcome to NORMI and your place among the thousands of trained professionals who proudly wear their NORMI credentials. What makes us relevant is our mutual commitment to excellence and the desire to stay on top of the industry. We are an integral part of this growing industry with a direct impact on advancements, professionalism, and industry stability.

As Executive Director, I invite your suggestions to help us become even better, and to that end, your valuable input is welcomed. Our part will be to offer the best support in the profession and together we will make a difference. Thank you for your support and welcome to NORMI.

Douglas Hoffman
Executive Director

NORMI Code of Ethics

THE NORMI™ CODE OF ETHICS

This CODE of ETHICS was developed by the Board of Directors on Friday, October 1, 2004 in an effort to solidify the NORMI.org commitment to integrity, honesty, and quality to the public and its membership. Each member of NORMI.org has signed this document.

NORMI Members Duty to the Public...

- The NORMI Member shall abide by the Code of Ethics and substantially follow all the standards of this code.
- The NORMI Member will not engage in any practices that could be damaging to the public or bring discredit to the IAQ/Mold industry.
- The NORMI Member shall be fair, honest, impartial, and act in good faith in dealing with the public.
- The NORMI Member will not discriminate in any business activities on the basis of race, color, religion, gender, national origin, familial status, or handicap and shall comply with all federal, state and local laws concerning discrimination.
- The NORMI Member shall be truthful regarding his/her services & qualifications.
- The NORMI Member will have no undisclosed conflict of interest with the client.
- The NORMI Member will not communicate any information to anyone except the client without the prior written consent of the client, except where it may affect the safety of others or violates a law or statute.
- The NORMI Member shall always act in the interest of the client, unless doing so violates a law, statute, or this Code of Ethics.
- The NORMI Member shall use a written contract that specifies the services to be performed, limitations of services, and fees.
- The NORMI Member shall comply with all government rules and licensing requirements of the jurisdiction where he/she conducts business.
- The NORMI Member will not make performance claims in regards to recommended products which violate the claims of the manufacturer. In no case will medical or health claims be made either verbally or in writing that exceed the approved printed and documented claims of the manufacturer.
- The NORMI Member shall, for all products used in the course of their profession, follow the manufacturer's instruction for use, application directions, and/or safety guidelines.
- The NORMI Member understands that the use of logos, trademarks, and/or copyrighted materials is strictly prohibited except by permission as the law prescribes.

NORMI Members Duty to the Profession and NORMI.org...

- The NORMI Member will strive to improve the IAQ/Mold Industry by sharing his/her lessons and/or experiences for the benefit of all. This does not preclude the Inspector from copyrighting or marketing his/her expertise to other Inspectors or the public in any manner permitted by law.

- The NORMI Member shall assist the NORMI leadership in disseminating and publicizing the benefits of NORMI membership.
- The NORMI Member will refrain from attempting to solicit potential business partners away from fellow-NORMI members. By respecting each others time and efforts in the expansion process, internal conflicts will be avoided. Any violation of this rule will result in immediate termination of NORMI membership without review.
- The NORMI Member will not engage in any act or practice that could be deemed damaging, seditious, or destructive to NORMI, fellow NORMI members, NORMI employees, leadership or directors. Member(s) accused of acting or deemed in violation of such rules shall be reviewed by the Ethics committee for possible sanctions and/or expulsion from NORMI.

HOW TO BECOME A MEMBER

1) Take a **NORMI Class** - The best way to become a part of NORMI is to take a class. All trained professionals are designated as ASSOCIATE members until they choose to activate their membership and become ACTIVE. You will find the following designations on our NORMIPro Locator at www.NORMIPro.com:

CHARTER - ACTIVE members who began supporting NORMI prior to 01/2013 and are currently in ACTIVE status receiving all NORMI member benefits.

ACTIVE - NORMI Trained Professionals who are taking advantage of all NORMI member benefits and have their certifications/licenses listed if current.

ASSOCIATE - NORMI Trained Professionals who have not yet activated their NORMI membership and whose certifications/licenses are not listed to the public.

AFFILIATE - NORMI Strategic Partner often representing an affiliated industry and who support the goal and mission of NORMI by offering products or services to members.

PENDING - Industry professional who is awaiting training, either online, online LIVE or onsite and not yet determined their member status.

Firm - Company membership add-on for Active NORMI Members. Includes additional training for employees. Certified Mold Worker Program and IAQ Basics.

NOTE: Member status is based on the member's most current relationship with NORMI and does not necessarily represent the member's current business interest(s), insurance or licensing status.

NORMI provides solution-based training in a variety of fields including indoor air quality and mold contamination with class schedules and fees available for review at www.BestTrainingSchool.com Once you have taken an ONLINE, ONSITE, or OFFSITE class and become a NORMI member, you are assigned a NORMI ID number and given the opportunity to take advantage of all the ACTIVE Member benefits available for your review.

Once you have taken a class sponsored by NORMI, you may activate your membership by going to www.Join.NORMI.org where you will have the option to sign the Code of Ethics and activate your membership.

The following certifications are available once you have activated your NORMI Membership and met the specific requirements of the certification. Please note that some certifications require a proctored examination, educational/experience requirement and certification fees. 2) NORMI Accreditation (Reciprocity/Grandfather) If you are currently working in the mold industry and certified by a nationally recognized organization or State licensed (in a State that requires licensing for mold professionals), NORMI may reciprocate and make you a certified member as either a CMA (NORMI Certified Mold Assessor), CMR (NORMI Certified Mold Remediator) or CMW (NORMI Certified Mold Worker) based on information you provide through this application process. The process is easy and once reviewed by our Compliance Division, you will be designated by the NORMI Board of Directors as an interim member and listed on our website for the world to see. You may begin immediately marketing yourself as a certified ACTIVE NORMI Member, will be assigned a NORMI ID number and given the opportunity to take advantage of all the ACTIVE Member benefits available (see Join.NORMI.org for benefit details).

Because NORMI has a unique solution-based, wholistic approach IAQ/Mold issues and their resolution, it is recommended that you take a NORMI approved class on IAQ/Mold Inspection, Assessment, or Remediation as soon as possible (classes available at www.BestTrainingSchool.com). Accreditation requires your taking a FREE online training segment on NORMI Professional Practices (our insurable best practices document) which is available to you through the ACTIVE Member back office once you have activated your membership.

The accreditation program benefits you in the following ways:

- a. Full access to all **FREE** ACTIVE Member benefits.
- b. Up-to-date trainings in the latest technologies through LIVE ONLINE Continuing Education, available for **FREE** every week,
- c. Some trainings on Tuesday evenings qualify for **FREE** CEUs for the State of Florida licensing requirement as well as meeting the continuing education requirements for other affiliated or recognized organizations
- d. The ability to market yourself for **FREE** through the www.NORMIPro.com website including a website program personally tailored to your company and,
- e. A **FREE** support system unsurpassed in the industry including LIVE Help, a toll free Support Line, and eMail support.

To become accredited, you will do the following:

1. Complete the application for whichever specific NORMI Certification your wish,
2. Active your membership at Join.NORMI.org (can be incorporated in the application process as shown on application),
3. eMail or FAX application with appropriate documentation.

NOTE: Fees for accreditation are processed AFTER you have been accredited which process takes approximately five (5) business days from receipt of your completed paperwork and documentation. Once accredited you may download the NORMI Logo Package from the member section and begin marketing your business as NORMI Certified. Congratulations on this savvy business decision.
